

## Overview

Due to the variety of floor surfaces, customers must supply the connecting hardware for the base, i.e. screws, bolts, anchor bolts, etc. This is stated on every post page on our website.

i.e. <https://inlinedesign.us/products/36-stainless-steel-railing-systems-square-end-post-w-square-glass-clamps-with-toprail>

This document shows anchoring options into different surfaces. Please use this document as a guide only. Customers are responsible to complying with their local building codes and/or architects guidelines therefore Inline Design shall, in no way be liable for any incidental or consequential damages caused. Please refer to our complete terms of sales for further information [https://inlinedesign.us/terms\\_of\\_sale](https://inlinedesign.us/terms_of_sale)
